Training sessions are run throughout the year.

Our Training Officers are Clare Towler (clarey1979@talktalk.net) and Jenny Newman (ewenandjenny@gmail.com)

Qualifiers

Due to COVID19 we will not be running qualifiers during this season – we will aim to resume those in 2022 season.

We will however aim to run our Points Competition for members:

The Club points championships for all classes, with points at all competitions awarded to members only and a presentation evening of trophies at the end of the season. Overall points champions for senior junior, dressage and showing are awarded across the disciplines and age ranges.

Entries

All entries will be taken via Horse Monkey. Please note that:

- Payment must be made via the system.
- No late entries will be taken during this season

No entries on the day will be taken this year.

Our Welfare Officer is Sara Ireland (s.e.a.ireland@btinternet.com)

Arenas

These arenas will be used for the first event of the season – changes may be made following that if entries require it:

- Arena 1 – (long / short) Classes 4, 6, 7 and 5.
- Arena 2 – (short) Classes 1, 2, 3

Readers can be used for any test under the following rules:

- Riders will supply their own reader; the club will not provide one on the day.
- Reading of the test only is allowed, training as part of the test is not allowed in the competition, if the judge feels this is the case at their discretion they can award more penalties or can eliminate the competitor from the class.

Fence heights are an indication only and will be progressive during the season. Due to running three tracks simultaneously there will be some flexibility in the heights of the fences, at the judges' discretion.

Clear round will be available in the jumping ring at the discretion of the steward, but please note that jumps are to stay at the height set for the class in progress. Entry fee £2.00, payable at ring entrance.

Combined training competitors may only jump "clear rounds" **after** they have jumped their class round. Contravention of this rule will result in elimination from the combined training class.

Lakes Riding Club - Points Competition Rules

Points will be awarded to members only. Members must compete in the class to be awarded points. No points will be given for HC riders.

Points are awarded depending on how many are in the class (including non-members). For classes with full entries i.e. 6 or more the points are awarded as follows:

- 1st – 7 points
- 2nd – 6 points
- 3rd – 5 points
- 4th – 4 points
- 5th – 3 points
- 6th – 2 points

All other competitors in the class who were not placed, will be given an attendance point (1 point).

If there are a number of non-members competing the awarding of points would be as follows:

- 1st – 7 points – member points awarded as per first place
- 2nd – 6 points – Non-member – these 6 points will not be awarded
- 3rd – 5 points – member points awarded as per 3rd place.
- 4th – 4 points – non-member – these 4 points will not be awarded
- 5th – 3 points – member points awarded as per 5th place.
- 6th – 2 points – member points awarded as per 6th place.

If the class is not full, the full allocation of points cannot be given and then points will be awarded in relation to the number in the class eg 4 in the class (points awarded by taking the number in the class and adding 1 point):

- 1st – 5 points
- 2nd – 4 points
- 3rd – 3 points
- 4th – 2 points

If non-members are in a class with fewer numbers the same awarding will apply as in the previous example.

If there is a tie for a place then the points for that place and the place below will be shared:

- 1st – 7 points – winner awarded 7 points
- =2nd – 6 points) – 6 and 5 points for 2nd and 3rd place added and
- =2nd – 5 points) divided so each competitor is awarded 5.5 points.
- 4th – 4 points – 4th placed competitor awarded 4 points
- 5th – 3 points – 5th placed competitor awarded 3 points
- 6th – 2 points – 6th placed competitor awarded 2 points.

In order to win the trophy a competitor should have competed in the class at least twice during the year, (unless the class has only been run once ie there are no competitors for 3 shows). As such it is possible for a competitor to win the trophy with fewer points than someone who has only attended one show but won a class with more than 6 competitors on that day. This is most likely in the event of poor weather during the season when a number of shows are cancelled.

If no competitor has competed in more than one class over the season, then the trophy can be awarded to the competitor(s) with the most points at the committees discretion.

Calculation of Champions

- For individual classes – the champion will be the single horse and rider combination with the highest number of points.
- For overall champions (senior, junior, dressage, showing) these are awarded to the rider with the most points and will be calculated by adding all the points accumulated over the discipline(s) competed in during the season on all horses / ponies.

Upgrading Rule – for relevant classes in the following sections upgrading will be considered by the committee for anyone who has achieved 27 points or more:

Working Hunter – Nursery Stakes and Novice Classes

Showjumping – Beginner and minimus classes

Dressage / Combined Training – Introductory and Prelim Classes.

Other Trophies

In addition to class points champions the following trophies will be awarded at the end of the season:
